### **A MESSAGE FROM THE GOVERNOR OF GUAM**

On behalf of the A.B. Won Pat International Airport Authority, Guam (GIAA) and the Federal Aviation Administration (FAA), we are cordially inviting you to attend the 2006 Pacific Aviation Directors' Workshop scheduled from April 4-7, 2006, at the Guam Marriott Resort & Spa.

The theme of the Workshop is "Government & Industry Focus on Pacific Aviation Infrastructure". While at this time the agenda is still being developed, we believe the Workshop will offer you a helpful and meaningful mix of advice and information from FAA officials as well as airport executives from the entire Pacific Region. It will give you valuable opportunities to learn from our colleagues about the airport and aviation industries, our needs and relevant issues. Your ideas for agenda items are certainly welcome.

In our continued effort to promote airport safety in the region, this year's event will include the GIAA's Triennial Federal Aviation Regulation Part 139 Full Scale Emergency Exercise on April 7, 2006 from 9:00am – 12:00pm. We would welcome airport executive attendees to serve as evaluators for this particular exercise.

We have negotiated a conference discount rate at the Guam Marriott Resort & Spa of \$95.00/night (regular rate is \$115.00/night). However, this special rate only applies to a set number of rooms, so please make reservations at your earliest convenience. You may contact the hotel directly at (671) 649-7827.

If you have any suggested agenda items, please submit it to Mr. Hank Verbais of FAA at [Hank.Verbais@faa.gov](mailto:Hank.Verbais@faa.gov) or fax no. 310-725-6813 or Mr. Ray Topasna of GIAA at [rayt@guamairport.net](mailto:rayt@guamairport.net) or fax no. 671-646-8823 no later than March 3, 2006.

We look forward to seeing you in our beautiful island of Guam.

A stylized, handwritten signature of Felix P. Camacho in dark ink.
